Indicator # 1 Educational Gains

Learners demonstrate progress toward attainment of basic skills and competencies that support their educational needs.

Indicator # 2 Educational Outcomes

Learners advance in the instructional program or complete program educational requirements that allow them to continue their education or training.

Indicator # 3 RETENTION

Learners remain in the program long enough to meet their immediate educational goals and re-enter and exit as their goals change.

Indicator #4 Recruitment

Program successfully recruits the population in the community as identified by needs assessments or demographic data.

Indicator #5 Program Orientation

Program services, procedures, and policies reflect a commitment to helping adults to develop basic and functional literacy skills required of adult life to enhance their individual performance and contributions to the community.

Indicator #6 Program Planning & Evaluation

Program has a planning process that is ongoing and participatory, guided by evaluation, and based on a written plan that considers community demographics, needs, resources, and economic trends, technological trends, and local labor market conditions.

Indicator #7 Curriculum and Instruction

Program has curriculum and instruction geared to individual student needs and learning styles.

Indicator #8 Support Services

Program identifies students' needs for support services and makes services available to students directly or through referral to other educational and/or service agencies.

Indicator #9 Staff Development

Program has an ongoing staff development process that considers the specific needs of its staff, offers training in the skills necessary to provide quality instruction, and includes opportunities for practice and systematic follow-up.
